

Spanish A1 — Session 1 Homework

Crescere | Beginner Spanish | Session 1

Complete before Session 2 | Estimated time: 20–25 minutes

Part 1 — The Spanish Alphabet (8 min)

The Spanish alphabet has 27 letters — the same as English plus **ñ**. Read through the list once. Then try to say the full alphabet out loud. It is fine to look.

Letter	Spanish name	Letter	Spanish name
A	a	N	ene
B	be	Ñ	eñe
C	ce	O	o
D	de	P	pe
E	e	Q	cu
F	efe	R	erre
G	ge	S	ese
H	hache (silent)	T	te
I	i	U	u
J	jota	V	uve / ve
K	ka	W	doble uve
L	ele	X	equis
M	eme	Y	ye / i griega
		Z	zeta

Pronunciation notes:

- **ñ (eñe)**: a nasal y-sound — *mañana, español, año*
- **j (jota)**: a strong h-sound from the back of the throat — *jefe, Juan*
- **h (hache)**: always silent in Spanish — *hola, hablar, hotel*
- **r (erre)**: when you see *r* alone in the middle of a word, it is a tap (like the *d* in "butter"); when written *rr* or at the start of a word, it is a trill

You do not need to memorize this before Session 2. Read it once so you know it exists. You will use it to spell words aloud later in the course.

Practice: Spell your first name and last name out loud using Spanish letter names.

Part 2 — Numbers 1–30 (5 min)

You learned 1–20 in Session 1. Here is the complete list through 30.

1 — uno	11 — once	21 — veintiuno
2 — dos	12 — doce	22 — veintidós
3 — tres	13 — trece	23 — veintitrés
4 — cuatro	14 — catorce	24 — veinticuatro
5 — cinco	15 — quince	25 — veinticinco
6 — seis	16 — dieciséis	26 — veintiséis
7 — siete	17 — diecisiete	27 — veintisiete
8 — ocho	18 — dieciocho	28 — veintiocho
9 — nueve	19 — diecinueve	29 — veintinueve
10 — diez	20 — veinte	30 — treinta

Note: Numbers 21–29 are written as one word. Notice the accent marks: *veintidós*, *veintitrés*, *veintiséis*.

Practice: Count out loud from 1 to 30 twice — once looking, once without looking.

Part 3 — Ser Out Loud (5 min)

Cover the table below and try to say all six forms of *ser* from memory. Then check yourself.

Subject	Ser
yo	soy
tú	eres
él / ella / usted	es
nosotros/as	somos
vosotros/as	sois (Spain only)
ellos / ellas / ustedes	son

Practice: Say the full conjugation out loud three times. On the third time, cover the table and say it from memory.

Then say each of these out loud:

- *Yo soy [your name].*
- *Ella es de México.*
- *Nosotros somos estudiantes.*
- *Ellos son de Colombia.*

Part 4 — Written Component (5 min)

Write the correct form of *ser* in each sentence. Do not look it up.

1. Yo ____ americano/a.
2. Ella ____ de Buenos Aires.
3. Nosotros ____ profesores.
4. ¿Tú ____ de España?
5. Ustedes ____ estudiantes.

Answers: 1. soy · 2. es · 3. somos · 4. eres · 5. son

Optional Extension

If you finish early:

Write about five people. Use *ser* to write 1–2 sentences about five different people — real, invented, or characters you know. Use different forms of *ser*.

- Example: *Tom Hanks es de California. Él es actor americano.*

Listen: Find any 2-minute clip in Spanish — a song, a trailer, a YouTube video. Just listen. Notice the five vowels: do you hear how clean and consistent *a, e, i, o, u* sound? You do not need to understand the words.
