

French A1 — Session 1 Homework

Crescere | Beginner French | Session 1

Complete before Session 2 | Estimated time: 20–25 minutes

Part 1 — Say Your Introduction Out Loud (5 min)

Use the phrases from Session 1. Fill in your own information and say it out loud — not silently, not in writing.
Out loud.

Bonjour. Je m'appelle _____.
Je suis de _____.
J'habite à _____.

Say it at least **three times in a row**. On the third time, close your notes and say it from memory.

This will feel uncomfortable at first. Do it anyway. That discomfort is the learning.

Part 2 — Numbers 1–30 (8 min)

You learned 1–20 in class. Here is the complete list through 30.

1 — un	11 — onze	21 — vingt et un
2 — deux	12 — douze	22 — vingt-deux
3 — trois	13 — treize	23 — vingt-trois
4 — quatre	14 — quatorze	24 — vingt-quatre
5 — cinq	15 — quinze	25 — vingt-cinq
6 — six	16 — seize	26 — vingt-six
7 — sept	17 — dix-sept	27 — vingt-sept
8 — huit	18 — dix-huit	28 — vingt-huit
9 — neuf	19 — dix-neuf	29 — vingt-neuf
10 — dix	20 — vingt	30 — trente

Pattern note: 21 uses *et* (vingt **et** un), but 22–29 do not (vingt-deux, vingt-trois...).

Practice: Count out loud from 1 to 30 twice — once looking, once without looking.

Part 3 — Written Practice (5 min)

Write the following in French. Use what you learned in Session 1. Do not look anything up.

1. Write your greeting + your name: *Bonjour, je m'appelle...*
2. Write where you are from: *Je suis de...*

3. Write where you live: *J'habite à...*
4. Write the number 17 in French words.
5. Write the number 28 in French words.

Reference: The French Alphabet

You do not need to memorize this before Session 2. Read it once so you know it exists. You will use it to spell words aloud later in the course.

Letter	French name	Letter	French name
A	ah	N	en
B	bay	O	oh
C	say	P	pay
D	day	Q	ku
E	euh	R	air (from throat)
F	eff	S	ess
G	zhay	T	tay
H	ash	U	ü (lips forward)
I	ee	V	vay
J	zhee	W	double-vay
K	kah	X	eex
L	ell	Y	ee-grek
M	em	Z	zed

Optional Extension

If you finish the three parts and want to keep going:

- **Listen:** Find any 2-minute clip in French — a song, a trailer, a YouTube video. Just listen. Notice the *r* sound and the nasal vowels you heard in class. You do not need to understand the words.
- **Spell:** Practice spelling your first and last name using French letter names. Say each letter out loud.
