

French A1 — Session 2 Homework

Crescere | Beginner French | Session 2

Complete before Session 3 (first session of Week 2) | Estimated time: 20–25 minutes

Part 1 — Numbers 31–100: The Patterns (10 min)

You learned 1–30 in class and Session 1 homework. Here is the rest of the system.

Regular tens: 30–69

Simple pattern: tens + *et* (for $\times 1$) or tens + unit.

30 — trente	40 — quarante	50 — cinquante
60 — soixante		

Examples: 35 = *trente-cinq* · 42 = *quarante-deux* · 61 = *soixante et un* · 68 = *soixante-huit*

70–79 — Counted as "sixty-and-ten"

French treats 70 as 60+10. There is no word for seventy.

70 = soixante-dix (60+10)	75 = soixante-quinze (60+15)
71 = soixante et onze (60+11)	76 = soixante-seize (60+16)
72 = soixante-douze (60+12)	77 = soixante-dix-sept (60+17)
73 = soixante-treize (60+13)	78 = soixante-dix-huit (60+18)
74 = soixante-quatorze (60+14)	79 = soixante-dix-neuf (60+19)

80–89 — "Four twenties"

80 = *quatre-vingts* (4×20). After 80: drop the -s and add units.

80 = quatre-vingts	85 = quatre-vingt-cinq
81 = quatre-vingt-un	86 = quatre-vingt-six
82 = quatre-vingt-deux	87 = quatre-vingt-sept
83 = quatre-vingt-trois	88 = quatre-vingt-huit
84 = quatre-vingt-quatre	89 = quatre-vingt-neuf

90–99 — "Four twenties and ten"

90 = *quatre-vingt-dix* ($4 \times 20 + 10$). Same pattern continues.

--	--

90 = quatre-vingt-dix	95 = quatre-vingt-quinze
91 = quatre-vingt-onze	96 = quatre-vingt-seize
92 = quatre-vingt-douze	97 = quatre-vingt-dix-sept
93 = quatre-vingt-treize	98 = quatre-vingt-dix-huit
94 = quatre-vingt-quatorze	99 = quatre-vingt-dix-neuf

100

100 = *cent*

Practice: Write these numbers in French words. Do not look back.

1. 45 → _____
2. 72 → _____
3. 83 → _____
4. 91 → _____
5. 100 → _____

Answers: 1. quarante-cinq · 2. soixante-douze · 3. quatre-vingt-trois · 4. quatre-vingt-onze · 5. cent

Part 2 — Written Introduction (8 min)

Write five sentences in French introducing yourself. Use the phrases from Sessions 1 and 2.

Your sentences must include:

1. Your name (*Je m'appelle...*)
2. Where you are from (*Je suis de...*)
3. Where you live now (*J'habite à...*)
4. Your profession (*Je suis...*)
5. Your nationality (*Je suis...*)

Example:

Je m'appelle Claire. Je suis de Montréal. J'habite à New York. Je suis architecte. Je suis canadienne.

Write yours in your notebook or document.

Part 3 — Speaking Practice (5 min)

Say your written introduction out loud three times. On the third try, close your notes and say it from memory. It should take under 30 seconds.

Then answer these questions out loud, as if someone is asking you:

- *Tu t'appelles comment ?* → *Je m'appelle...*
- *Tu es d'où ?* → *Je suis de...*
- *Tu habites où ?* → *J'habite à...*
- *Tu fais quoi dans la vie ?* → *Je suis...*

Optional Extension

If you finish early:

Write about someone else. Use *il/elle est* to describe a real or invented person — the form you saw in Session 2. For each person, write:

- *Il/Elle s'appelle...*
- *Il/Elle est de...*
- *Il/Elle habite à...*
- *Il/Elle est [profession]. Il/Elle est [nationality].*

Listen: Find a short clip of someone introducing themselves in French. Can you catch their name, where they're from, and what they do? You will not understand everything — that is normal. Just notice what you can pick out.
