

# Spanish A1 — Session 23 Homework

Crescere | Beginner Spanish | Session 23

Complete before Session 24 | Estimated time: 25–30 minutes

---

## Overview

Session 24 is your final performance. This homework prepares you for it. Everything here is directly useful for tomorrow.

---

## Part 1 — Role Play Preparation (10 min out loud)

Choose one of the three scenario options from the final performance guide:

- **Option A:** You meet someone at a café, market, or language event. You get talking; you make a plan.
- **Option B:** You are helping a Spanish-speaking visitor navigate your city.
- **Option C:** You meet at a language exchange. You both describe yourselves and your lives, and make a plan.

Once you have chosen, practice the four topic areas out loud — not in your head.

**Topic area 1 — Introduction with *ser* and *estar* (2 min)** Say aloud: your name, where you are from, what you do (*ser*). Then add how you feel right now and something about your current situation (*estar*). Then add one personal detail. Say this three times.

*Key check: Did you use *ser* for identity/origin? Did you use *estar* for a state or location?*

**Topic area 2 — Making a plan (2 min)** Say aloud: propose an activity using *ir a + infinitivo*, suggest a day and time, ask if the other person is free, agree on a meeting point. Say this twice.

**Topic area 3 — Directions (2 min)** Choose a real or invented place in your city. Give directions from a café or supermarket to that place — at least 4 direction steps. Use: *todo recto, a la izquierda, a la derecha, al lado de, enfrente de*. Say this twice.

**Topic area 4 — Describe a place (2 min)** Describe your home or neighbourhood in 3–4 sentences. Include: *hay..., está(n)..., me gusta...* Say this twice.

**Your repair phrases — know these cold:**

- *¿Puede repetir, por favor?*
  - *¿Cómo se dice [word] en español?*
  - *Estoy buscando la palabra para...*
- 

## Part 2 — Written Message Draft (12 min)

Write your Part B written message. This should be 8–10 sentences.

**Checklist — before you write:**

- ☐ I know what *ser* sentences I will use (identity, origin, profession)
- ☐ I know what *estar* sentence I will use (state, emotion, or location)
- ☐ I know 2 sentences about my daily routine (with reflexive verbs if possible)

- ☐ I know something I enjoy (*me gusta / me encanta + gustar agreement*)
- ☐ I know how to suggest meeting (*ir a + infinitivo* or *quisiera*)
- ☐ I know one question to ask the other person

**After writing, check:**

- ☐ Ser vs. estar: did you use the right one in each sentence?
- ☐ *Gustar* agreement: *me gusta* (singular/infinitive) or *me gustan* (plural)?
- ☐ Article contractions: *al* not *a el*; *del* not *de el*
- ☐ *Ir a + infinitivo*: is the *a* there? (*voy a quedar*, not *voy quedar*)
- ☐ At least one question at the end

## Part 3 — Quick Grammar Check (5 min)

Write these from memory — no notes:

1. The full conjugation of *ir* (6 forms)
2. The full conjugation of *estar* (6 forms)
3. The four ser/estar rule triggers — one example each: identity (ser), state (estar), location of person/thing (estar), permanent characteristic (ser)

**Answer key:**

1. *voy / vas / va / vamos / vais / van*
2. *estoy / estás / está / estamos / estáis / están*
3. *Soy médico* (identity) / *Estoy cansado* (state) / *El banco está enfrente* (location) / *Es inteligente* (characteristic)

If you missed the *estar* conjugation: *estoy, estás, está, estamos, estáis, están* — write it five times. This verb is in the final performance.

## Final Checklist — Am I Ready?

**Role play:**

- ☐ I can introduce myself in 4–5 sentences — using *ser* AND *estar* correctly
- ☐ I can propose and agree on a plan using *ir a + infinitivo*
- ☐ I can give directions using at least 4 direction steps and prepositions
- ☐ I can describe my home or neighbourhood in 3–4 sentences
- ☐ I know at least 2 repair phrases by heart

**Written message:**

- ☐ My message is 8–10 sentences
- ☐ It includes: ser introduction, estar sentence, routine, gustar, plan, question
- ☐ I have checked *ser/estar* choices and *gustar* agreement

## Extension (Optional)

If you want to go further:

- Record yourself doing the role play practice out loud. Listen back. Do the *ser/estar* choices feel natural? Is *ir a + infinitivo* coming out smoothly?
- Write a second scenario: if you chose Option A, practice Option B briefly — makes you more flexible in Session 24.
- Try writing 3 sentences that would require *ser* and 3 that would require *estar* in a new context (your family, a place you visited). The more contexts you use it in, the more natural it becomes.
