

# Spanish A1 — Session 5 Homework

Crescere | Beginner Spanish | Session 5

Complete before Session 6 | Estimated time: 20–25 minutes

## Part 1 — The -ar Ending from Memory (5 min)

Cover the table below and say all six endings from memory. Then apply them to *hablar* and to one more verb of your choice.

| Subject                 | Ending | Hablar   |
|-------------------------|--------|----------|
| yo                      | -o     | hablo    |
| tú                      | -as    | hablas   |
| él / ella / usted       | -a     | habla    |
| nosotros/as             | -amos  | hablamos |
| vosotros/as             | -áis   | habláis  |
| ellos / ellas / ustedes | -an    | hablan   |

Say *hablo*, *hablas*, *habla*, *hablamos*, *habláis*, *hablan* three times out loud without looking.

Then write out the full conjugation of *trabajar* from memory.

## Part 2 — Written Sentences (10 min)

Write 5 sentences about yourself in Spanish. Use 5 different -ar verbs. At least one sentence must be negative.

**Your sentences must include:**

1. Where you work or what you study (*trabajar* or *estudiar*)
2. Something you listen to (*escuchar*)
3. Something you watch (*mirar*)
4. Something you do or do not do on weekends (*trabajar*, *descansar*, *comprar*...)
5. Something about your morning or evening routine (*preparar*, *tomar*...)

**Example:**

*Trabajo en un colegio. Estudio italiano los martes. Escucho música clásica por la mañana. Miro pocas series — no tengo mucho tiempo. Los fines de semana, descanso y preparo la comida.*

Write yours in your notebook or document.

## Part 3 — Speaking Practice (5 min)

Say your 5 sentences out loud three times. On the third time, do it without looking at your notes.

Then describe a friend or family member in 2–3 sentences using *él/ella* forms:

Mi hermano se llama Carlos. Trabaja en un banco. No estudia ahora — trabaja mucho.

## Vocabulary Quick-Check

## Optional Extension

**Practice all six forms.** Choose one more verb from the week's list and write one sentence for each of the six subject forms. It does not have to make perfect sense — the goal is the pattern.

Try: *necesitar* (to need) — *Necesito, necesitas, necesita, necesitamos, necesitáis, necesitan.*
